## **PURCHASE PRICE AND PAYMENT**

- I. In the case of intra-EU-Community deliveries and in the case of export deliveries to the territory of a third country within the meaning of the German Value Added Tax Act [Umsatzsteuergesetz, UStG], the Buyer shall pay an amount equal to the German value-added tax as security deposit.
- II. The security deposit will be refunded for intra-EU-Community deliveries after the aircraft has reached the corresponding state and the signed "Entry Certificate" of the buyer is presented to VEBEG. In the case of export deliveries, the refund will be made when the customs office of exit has sent the electronic exit note to the buyer and the buyer submits documents confirming customs clearance and full payment of import duties and taxes in the third country.
- III. The refund amount shall be forfeited if the requested evidence is not received by VEBEG within 6 months of the invoice date; this shall not affect the Buyer's obligation to submit the evidence.
- IV. The Buyer is required to provide financial guarantee for the fulfillment of the contract amounting to € 20,000.00. This guarantee shall be refunded upon completion of the contract. The Buyer has to remove or render permanently illegible the lettering "Polizei", the identification number, the "Bavarian coat of arms" and any insignia visible on the outer shell before further any use / transport measures, no later than three weeks after arrival at the buyer's facility at the latest. Upon completion of these measures, the Buyer shall submit evidence to VEBEG.
- V. The total payment obligation consists of the purchase price, the security deposit and the financial collateral.

## **WARRANTY**

- VI. In light of the lack of knowledge of the present condition of the helicopter, VEBEG does not offer any warranties for the type, quantity, quality, condition, usability, operability, admissibility, accident-free history and absence of defects on the helicopter as well as for the completeness of the documentation provided and the compliance of the documentation with the actual, physically installed components on the helicopter.
- VII. The Buyer is aware that dismantling components has an impact on the airworthiness of the helicopter, which can no longer be guaranteed.
- VIII. The Buyer has no right to demand physical delivery in part or full from VEBEG. The Buyer is only entitled to reimbursement limited to the total payment obligation. Additional rights do not exist, unless an intentional or grossly negligent act of VEBEG can be proven.

## **HANDOVER AND PICK UP**

Due to government regulations, it is not possible for the helicopter to take off at the handover location. The helicopter must be picked up by a suitable truck for transport. It can be dismantled in an enclosed, unheated hall for transport. However, no assistance can be provided for the necessary measures.

All information as provided by the Seller per May 2026\* (deviations possible).

The images are for illustrative purposes only; they do not necessarily depict the aircraft being offered.
